

Papillion Professional Park Building 3

Lund-Ross served as the Construction Manager at Risk for the new Papillion Professional Park Building 3. The commercial facility is the third building constructed on a 4.5-acre office park in Papillion, Nebraska.

Lund-Ross completed the core and shell construction of the 21,437-square-foot building in February 2014, and built the new Pediatric Therapy Center into an 8,000-square-foot bay. The center houses therapy rooms, offices, and an open play area with a climbing wall for youth. Lund-Ross completed the new Pediatric Therapy Center in March 2014.
